ROPELLA INDUSTRY EXPERTISE

The future of Robotics and 3D printing is here and growing faster by the day! Spanning the wide variety of end use applications from consumer products to aerospace and defense, 3D Printing is rapidly changing the timelines and ways industries are innovating from initial rendering to finished product.

Ropella is excited to be investing in, and serving as a Strategic Talent Advisor, to many world class inventors, leaders, and investors in support of the global advancement and commercialization of 3D Printing technologies: Stereolithography (SLA), Selective Laser Sintering (SLS), Fused Deposition Modeling (FDM), Digital Light Process, Multi Jet Fusion, PolyJet, Direct Metal Laser Sintering (DMLS), and Electron Beam Melting (EBM).

Ropella's mission is to build lasting relationships between High Potential A-Player Talent, Backable CEO's, Board Members, SME's and Transformational Leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders - because we all know - ***the Team with the Best Talent Wins*** Especially so, in fast growing organizations.
