ROPELLA INDUSTRY EXPERTISE

Electronic coatings provide a valuable service for the protection of the electronics we rely on daily, which would otherwise be vulnerable to corrosion, moisture, temperature changes, and other environmental hazards. There are many methods of coating electronics, including conformal coating, electrically conductive coating, form and place gasketing, and potting with silicon, polyurethane, or epoxy.

Ropella's mission is to build lasting relationships between High Potential A-Player Talent, Backable CEO's, Board Members, SME's and Transformational Leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders - because we all know - **the Team with the Best Talent Wins** Especially so, in fast growing organizations.
