ROPELLA INDUSTRY EXPERTISE

Esters form the foundation for a wide range of markets, from perfume fragrances to polyester fabrics to the nitroglycerin in explosives. They are used as softeners for plastics, aromatic additives and preservatives for the food and beverage industry, and solvents in detergents and nail polish removers. Even with this huge range of valuable utilizations, there are widespread efforts to find even more new applications and to trim expenses.

Ropella's mission is to build lasting relationships between High Potential A-Player Talent, Backable CEO's, Board Members, SME's and Transformational Leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders - because we all know - **the Team with the Best Talent Wins** Especially so, in fast growing organizations.
