ROPELLA INDUSTRY EXPERTISE

When it comes to the search for quality batteries and the most efficient energy-storage methods, lithium ion batteries and fuel cells are at the top of the list. A growing need across industries — consumer electronics, military, electric vehicle, and aerospace applications just to name a few — demands power sources that combine high energy density with lightweight construction, while balancing chemistry, performance, cost, and safety characteristics.

Ropella's mission is to build lasting relationships between High Potential A-Player Talent, Backable CEO's, Board Members, SME's and Transformational Leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders – because we all know – *the Team with the Best Talent Wins* Especially so, in fast growing organizations.
