ROPELLA INDUSTRY EXPERTISE

Although polyurethanes already are one of the most versatile plastics, companies continue to seek ways to improve them and find more uses. Polyurethanes offer many advantages as they can be molded into odd shapes and improve products ranging from car interiors and foam seating to bedding and couches, from packaging and medical uses to skateboard wheels and Spandex, a popular clothing material.

Ropella's mission is to build lasting relationships between High Potential A-Player Talent, Backable CEO's, Board Members, SME's and Transformational Leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders - because we all know - **the Team with the Best Talent Wins** Especially so, in fast growing organizations.
