ROPELLA INDUSTRY EXPERTISE

Specialty plasticizers make up a vital component of industry, particularly in the realm of construction. In addition to improving concretes and PVC materials, plasticizers are essential additives in the manufacture of quality products, from automotive components to rocket fuel. These chemicals are among the most heavily researched, and the results are promising for long term sustainability and increasing levels of functionality, while posing no danger to people at typical exposure levels.

Ropella's mission is to build lasting relationships between High Potential A-Player Talent, Backable CEO's, Board Members, SME's and Transformational Leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders - because we all know - **the Team with the Best Talent Wins** Especially so, in fast growing organizations.
